EQUITA LYON 2024 *ONE NIGHT AT EQUITA:* LONGINES EQUITA LYON, CONCOURS HIPPIQUE INTERNATIONAL'S NEW MAJOR SHOW

A poetic and graceful performance in the ring at Longines Equita Lyon, Concours Hippique International

On Friday 1 and Saturday 2 November Equita will allow spectators at its Sport and Show evenings to enjoy an exceptional and highly emotional performance for its 30th anniversary, and experience the unique bond between an artist and their horse, for one evening, with the show *One Night at Equita*.

Another magical performance. Equita Lyon has been the place where everything is possible, every year since 1995, where all horse and equestrian show enthusiasts come together.

In 2024, spectators at Longines Equita Lyon, Concours Hippique International, will enjoy an exceptional night, entertained by the biggest stars of equestrian shows, some of whom have made a lasting impression in Equita Lyon's ring. These artists who are friends are coming back to Lyon to perform acts that have become legendary or have been specifically created for this edition. A few musical notes. A tune everyone knows. Let yourself be carried away by the music of the French Republican Guard Show Orchestra and the voice of French singer Apolline. Top-flight performances will follow one another in the ring, during this truly equestrian concert, with songs by artists as varied as Stevie Wonder, Katy Perry and Donna Summer.

Experience timeless moments with the Jehol company, a regular at Equita who already impressed spectators with their incredible Comtois horses. They will perform an act specially recreated for Equita Lyon, which will transport visitors on a musical journey accompanied by Barbara Pravi's song "*Voilà*".

Among Equita Lyon's friends will be regular performers, such as the Cadre noir de Saumur. This year its riders will be demonstrating the harmony, beauty and lightness of equitation in the French tradition. But there are also artists who will be warmly welcomed after a longer absence such as Christophe, from the Hasta Luego troupe. He appeared with his brothers at the very first Equita show, performing an impressive trick riding act. Now he's back with his son for Equita Lyon's 30th anniversary, and is continuing the family dynasty. And while he has made liberty performances his hallmark for many years, he is now leaving it to his son to take centre stage and convey Hasta Luego's adventurous spirit.

AN EVEN FREER PERFORMANCE

One Night at Equita is not just a show, it's a celebration of the bond between Man and horse. This is highlighted in the invisible but strong and very close bond that Clémence Faivre shares with her horses every day, showcased in a classical Spanish dressage performance that evolves into a dazzling liberty number. This has become the signature act of this equestrian prodigy. Graceful and magical: this perfectly describes the performance of the talented Jordi Amposta this year, with an absolutely fascinating liberty act. A moment where time stands still and Man and horse come together in a harmonious relationship. Over the last 30 years, equestrian shows have increasingly focused on liberty performances, offering acts that are both visually stunning and highlight the unique and exceptional bond between the show horse and the artist. This year, these two superb Sport and Show evenings are dedicated to Alexis Grüss, and have plenty more surprises in store for spectators.

So let's celebrate our shared passion for horses together on 1 and 2 November 2024.
